

Biomedical Alliance in Europe

Training day: Understanding & impacting the EU Health Agenda

Learn how EU policies & regulations impact your daily work as a clinician or researcher and how you can contribute to better decision-making

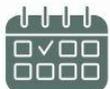

One-day training session for BioMed Alliance members, with key speakers from the EU health policy field focussing on:

- How does the EU work?
- Impact of EU policies on health systems
- How to influence the EU health agenda?
- How can experts contribute?

Date

27 November

Location

**BioMed Alliance
office, Brussels**
